

SPRINT-4

Team ID	PNT2022TMID33005
Project Name	Project – Hazardous Area Monitoring for Industrial Plant powered by IoT

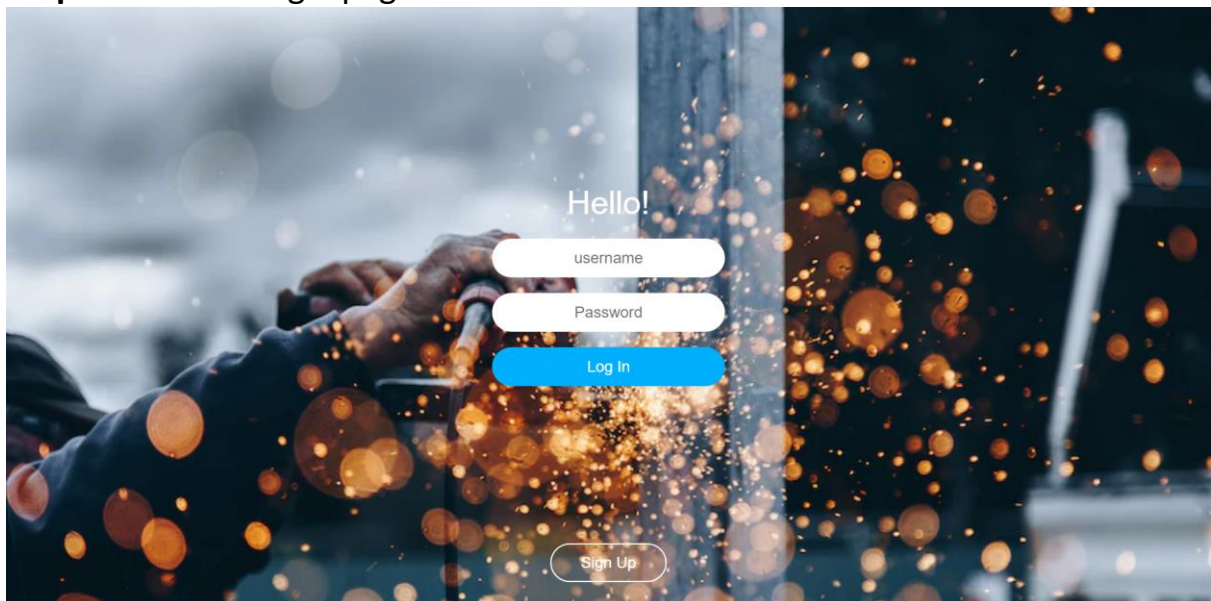

WEB UI for Industrial owner and worker

Step-1: Create a Sign up / Register page.

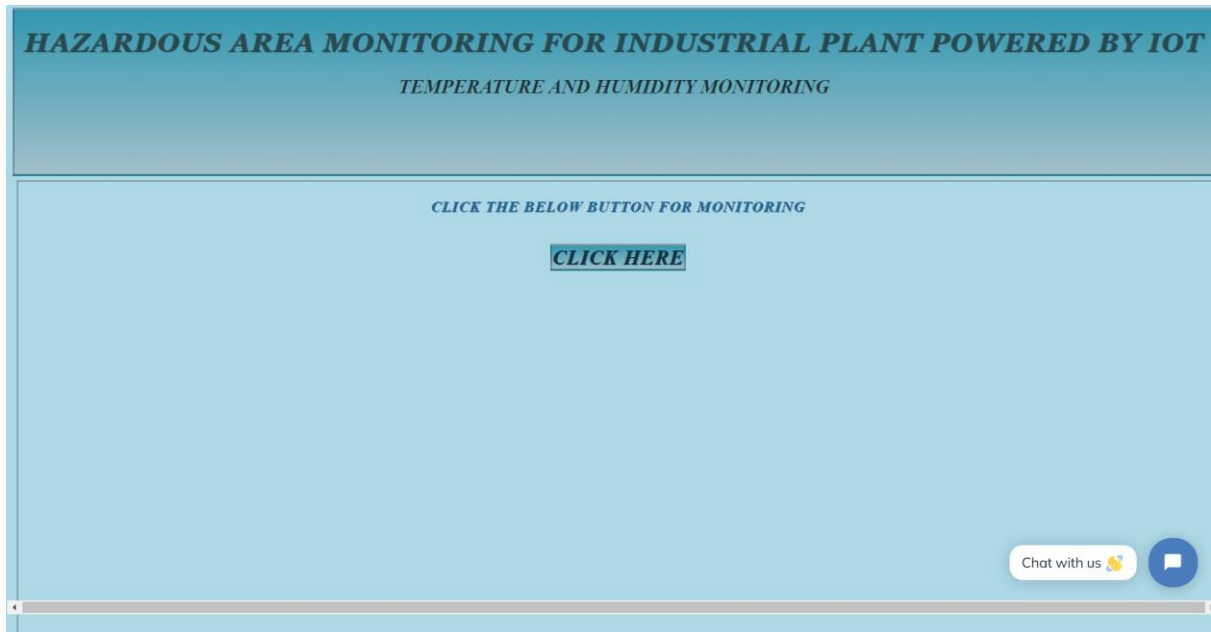

A sign-up form titled "Sign Up!" is displayed on a light blue background. The form includes four input fields: "User Name", "Email", "Password", and "Phone no". Below these fields is a "Sign Up" button. To the right of the form, the text "Welcome Industrial Monitor system" is visible.

Step-2: Create a login page.

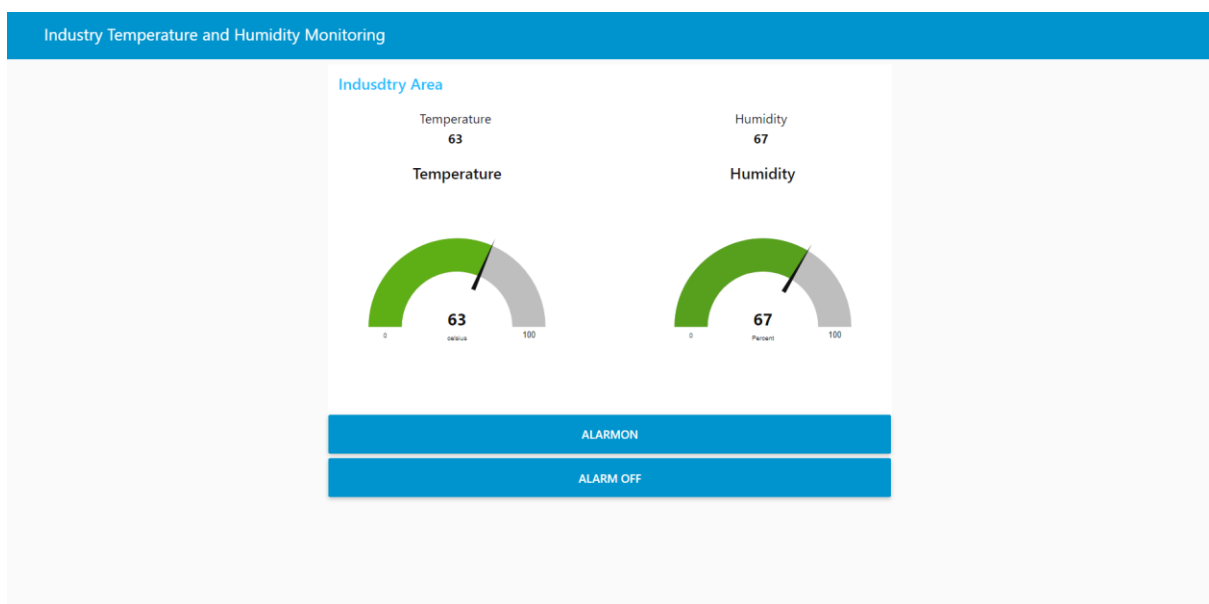

A login page is shown with a background image of a person welding, creating bright sparks. The page features a "Hello!" greeting, followed by two input fields labeled "username" and "Password". Below these fields is a blue "Log In" button. At the bottom, there is a "Sign Up" button.

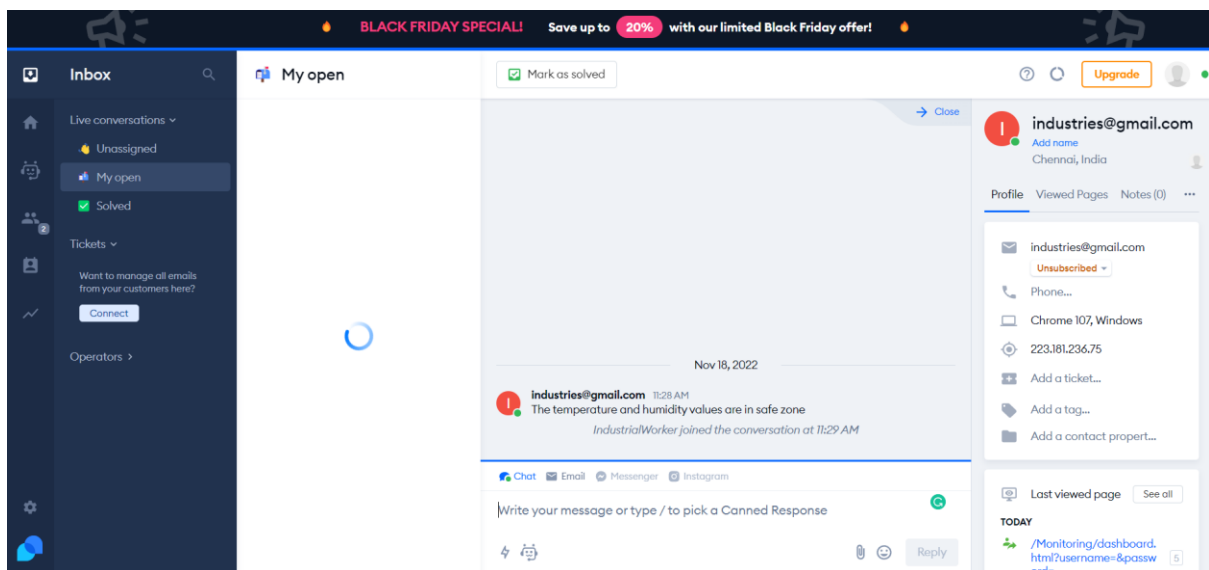

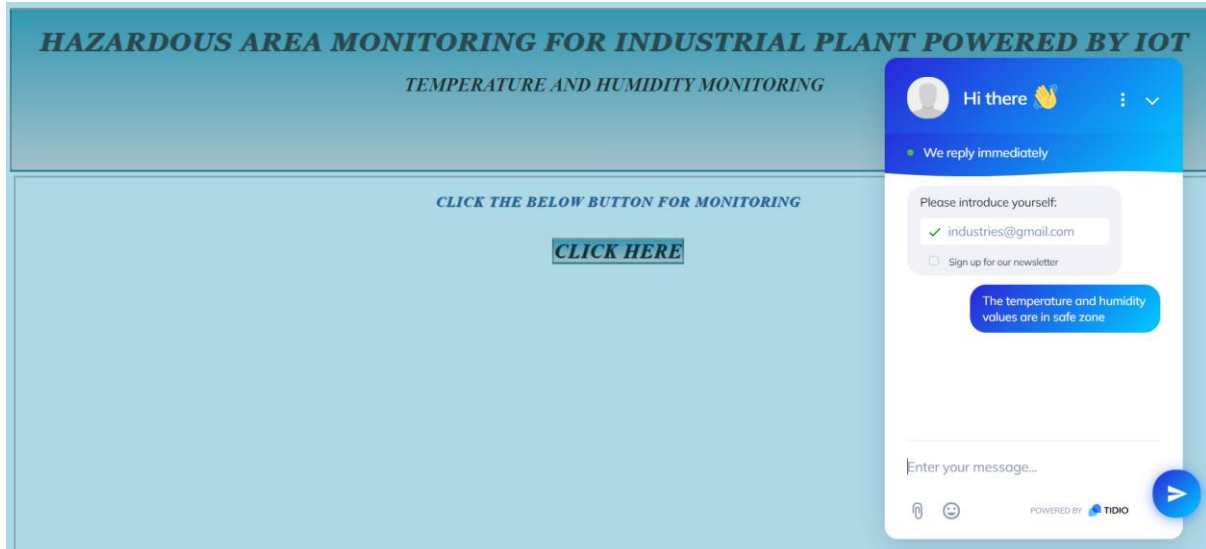

Step-3: After the login,It will be redirected to the Home Page.

After clicking **CLICK HERE**,It will display the Temperature and humidity.

Step-5: Create a page with Industrial worker Info along with industrial where we can communicate with the industrial worker.
